

THE WHOLE NEW YOU BEGINS
WHEN WE:

ALLOW GRACE TO BE THE CATALYST

- ⇒ What do we do with grace? How do we live with grace?
 - ⇒ The RESPONSES TO Grace:
 1. freedom from the consequences
 2. freedom from the sin—a catalyst
 - ⇒ The way we use grace says something about how we see God
 - ⇒ forgiven sin is hated, sin unforgiven us cherished
 - ⇒ many Jesus followers live in between Good Friday and Easter Sunday; believe in the cross, but not new life
- ⇒ What is the PLACE of Baptism?
 - ⇒ It is the **embarkation point** of new life
 - ⇒ It is the **occasion** for profession and confession and was never optional
 - ⇒ the way you live says whether you died
 - ⇒ Sin has to become a pesky annoying part of our life, not a standard for our life

What Is The Process Of Growth?

Understanding that growth never comes by accident

THE Decision of Addition

Adding To Your Faith

- ⇒ **1 Peter 1:4-9**—5 For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; 6 and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; 7 and to godliness, brotherly kindness; and to brotherly kindness, love
- ⇒ Discover those things that will make you grow and avoid those things that will stunt it
 - Growth Always Includes: servanthood, godly relationships, God-ordered priorities
- ⇒ Without addition there is always subtraction
- ⇒ Attending church will never grow you, but how you interact and engage with it will

It takes our entire lives for God to finish his work, it cannot be rushed, but it also cannot be neglected

Tomatoes are usually picked unripened so they won't bruise during shipping to the stores. Then, before they are sold, these green tomatoes are sprayed with CO2 gas to turn them red instantly. Gassed tomatoes are edible, but they are no match to the flavor of a vine-ripened tomato that is allowed to mature slowly.
