"From that day on, the bright red flowers were known as the 'Flores de Noche Buena', or 'Flowers of the Holy Night'. The shape of the poinsettia flower and leaves are sometimes thought as a symbol of the Star of Bethlehem which led the Wise Men to Jesus. The red colored leaves symbolize the blood of Christ."

(Following this evening's service, we invite the families above to pick up their poinsettia(s) from the front of the stage or the foyer.)

*A special thanks to the Cambridge City Fire Department for being here tonight to keep us safe. We are thankful for all of our first responders!
