Welcome!

Isn't it just great to come together and worship!? I am so blessed and excited to share in this moment together with you today.

We wrap up our walk through Proverbs today by looking at friendships by giving it a deep

Danny Berry
Lead Pastor

look. Who are you friends with? What type of friends do you have and what does that mean? What is the deepest way of being a friend?

I will share with you the biblical answers and we will also hear from two special ladies who will share with us about their own friendship.

If you are visiting, drop by the Starting Point to learn more about our church and also get a free gift! And for anyone with us today, I want to encourage you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
