Welcome!

Thanks for joining in worship with us this week!

Have you ever felt like you are only loved for what people get back from you? At work, school, and even in families it is easy to only

feel loved out of necessity and not because of you. That is the what human love can be like.

But today, as we continue looking at our five purposes in life, we will see that God loves us in a better

way and because of it our lives can be changed forever.

If you are visiting, drop by the Starting Point to learn more about our church and also get a free gift! And for anyone with us today, I want to encourage you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.

our mission/vision: loving god, loving others,
more & more.
