

Welcome!

Danny Berry
Lead Pastor

Worshipping God with others is always so good and it is even better when you join us!

We are continuing our verse-by-verse look at the book of Mark by considering a problem all of us have encountered: putting things off. I don't know about you, but there are just some things I try to avoid and the easiest way is to put it off.

Thankfully Jesus did not take this approach and we will learn from Him and His disciples what it looks like to step up and do something because, "the time has come."

If you are visiting, drop by the Starting Point to learn more about our church and also get a free gift! And for anyone with us today, I want to encourage you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
