

## Welcome!

Danny Berry  
Lead Pastor

I always look forward to our Thanksgiving service each year because we all have a lot to be thankful for. Sure, things happen in life. We all come today to worship God with different challenges in our life, but there are ALWAYS way more things to be thankful about than to complain about!

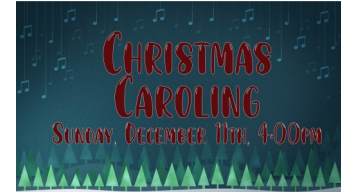

Today, we will take a look in the book of Mark where Jesus talks about the kingdom of God and how it can really surprise us. Today, we can be thankful that God's kingdom is not of our own doing or that it unfolds according to our plan. God's kingdom done in God's way is the best thing of all!

If you are visiting, drop by the Starting Point to learn more about our church and also get a free gift! And for anyone with us today, I want to encourage you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
