

Welcome!

We are so grateful you worship our great and glorious King Jesus with us today!

Danny Berry
Lead Pastor

We continue our series through the minor prophets by looking at jealousy. From our earliest years, we are taught that jealousy is a sin, and in most cases, it is. But is there ever a time when it is okay to be jealous?

From God's example in the book of Joel, we will see that being jealous for the right things can be a good thing in our lives.

If you are visiting, drop by the Starting Point to learn more about our church and get a gift! We also invite you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
