

Welcome!

Danny Berry
Lead Pastor

Welcome to Cambridge City Christian Church! I am so glad that you have joined us today!

Would you say that you are a person that is merciful? The thing is, we need more mercy in our world today. Whether it is in the supposed “cancel culture” we see on the news or the people in our lives that have wronged us, our world needs mercy and it has to start with each of us.

As we continue our series through the Minor Prophets we will hear from Hosea how the nature of God’s mercy should also be shown through us.

If you are visiting today, drop by the Starting Point to learn more about our church and get a gift! We also invite you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
