

## Welcome!

Danny Berry  
Lead Pastor

I want to wish you an early “Happy Valentine’s Day” as we come together to celebrate the love God has for us! I am so glad you are here!

We wrap up our look at the book of Hosea today and are reminded of God’s love and how that love can, at times, be a type of tough love that is intended to protect us. Sometimes it can feel like God is not there for us when things get tough, but many times things happen because it is a way for God to lovingly teach us the right way to go. We will discover today why this is so important!

If you are visiting today, drop by the Starting Point to learn more about our church and get a gift! We also invite you to get connected to our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
