

## Welcome!

Danny Berry  
Lead Pastor

There is nothing quite like coming together on Sunday to worship God as His people. I am so glad you are a part of it today!

How would you define what hope is? How we answer is crucial because it impacts how we look at life. Today, as we wrap up our look at the book of Micah, we will learn what real hope looks like and how it can change how we see every moment of our lives.

If you are visiting today, we are thrilled that have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We also invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
