

Welcome!

Danny Berry
Lead Pastor

One of the greatest blessings we have in life is each other! It is a blessing to worship the Lord with you today.

Have you ever said this before: "That's not fair!" Sure you have. You probably said it the first time when you were a child, and we continue to say it as we age. The world around us and our world is full of injustices. So what are we supposed to do about it?

Today, we return to our series on the Minor Prophets, focusing on the book of Nahum and answering the question of what we should do when life isn't fair.

If you are visiting today, we are thrilled that have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We also invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
