

Welcome!

Danny Berry
Lead Pastor

What a great day to worship the Lord! I am glad that you are here today to worship Him with us!

Our message series on the Minor Prophets continues today as we dig into the often unread book of Zephaniah.

One of the hardest things to accept and understand is that bad things happen not because God is somehow unloving or “out to get us” but instead that our world is infected by sin to such a great extent that it affects everything. Knowing this will help us accept the bad with the good and see more clearly that God does care!

If you are visiting today, we are thrilled that you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
