

Welcome!

Danny Berry
Lead Pastor

What a blessing it is to worship with you today!

During our time of worship, I will share God's Word as we continue our "Tough Issues" series, which takes a closer look at some of our time's doctrinal and moral challenges.

Today we will look at what God has to say about Transgenderism. Over the past few years, we have heard more about the growing trends of transitioning individuals, and as followers of Jesus, we need to know what God thinks about it and how we should respond.

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.

Volunteers are still needed to help.

Although school is just letting out, we are working on this year's "Back to School Bash". We are currently in need of monetary and supply donations for school supplies. If you are interested in helping to plan this event, please mark your "My Response" card or contact Shelby at the church office.
