

Welcome!

Danny Berry
Lead Pastor

Happy 4th of July weekend! As we celebrate our independence as a nation, let us also celebrate today our freedom in Christ! Let's worship Him!

Over the last several weeks, we have explored some challenging topics, and today we will continue. Do politics and religion mix? For many people, the two should have nothing to do with each other. But is that biblical? Today, we will take a deep look at Christ-followers' relationship with politics and government and see what our role should be, if any, in it.

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.

Volunteers are still needed to help.

We are working on this year's "Back to School Bash". We are currently in need of monetary and supply donations for school supplies. If you are interested in helping to plan this event, please mark your "My Response" card or contact Shelby at the church office.
